

Mr. Kevin Slotke of The Sigma Group will serve as President of the Society of Southeastern Wisconsin Land Surveyors for 2011. The Society is a local chapter of the Wisconsin Society of Land Surveyors.

Kevin has been on the Board of Directors of the Chapter since 2009. He is also Chairman of the Business Committee, the main focus of which is promoting the profession of Land Surveying.

Kevin has volunteered his time presenting to and assisting on various survey projects with high school students and Milwaukee Area Technical College students in an effort to introduce them to Land Surveying.

In addition, he presented a seminar entitled "A Brief History of Land Surveying in America" to the Wisconsin Association of Accessing Officers at their 2010 Annual Meeting.
